PASS

The Simplest Way to Share Photos. Ever. Seriously.

PASS is a photo sharing platform that allows us to quickly and easily deliver images to our clients. There is no limit on the number of images or galleries we can upload for our clients, PASS lets us share your images privately with you in a beautiful professional gallery.

It is simple, once we have uploaded your images to a PASS gallery we will send you an invitation to view. The invitation will arrive in your email box, or by link via Facebook, or both. Your PASS Gallery is password protected for privacy. We will provide you with the password that you, or your guests, must use to gain access to the PASS gallery.

PASS is a terrific way to view images from anywhere, anytime, when it is convenient for you, and you can share your PASS gallery with your friends and family. Most of all, your images are kept on PASS for 10 years, where they are ready and available to view, download, share, and purchase prints.

Need more information? Please let us know and we will happily answer all your questions.

Please note: Due to the way that some email systems sort messages, PASS invites sometimes get filtered into the Spam folder. We recommend you and your guests add "noreply@pass.us" to your email contact list to make sure all PASS emails make it to your inbox.
